

21 Wood West Road ALLOWAY QLD

3  1  10 

Ideal for small cropping or Macadamia trees, this property is located in the heart of the Bundaberg salad bowl. Surrounded by sugar cane, macadamia plantations and small cropping.

Owners are looking for expressions of interest.

Features are:

- Owner is tidying up the block on the Southwestern corner of the site to plant macadamia trees and thinks they will end up with in total Approx 230* acres that can be planted.
- Total area is 125.4HA* or 309* acres.
- Eastern side of the Creek Gordons Rd is approximately 175* to 180* acres (slightly heavier grey sandy loam soil) + Approximately 50* + acres on the South western side of the creek which is being leveled up to start planting trees (lighter grey sandy loam soil).
