

Lot 71 Duingal Road DUNINGAL QLD

This lovely 478 acre property is a blank canvas ready to make your own. It is easily accessible by road which borders one side of the property and is positioned close to the towns of Wallaville and Gin Gin, about 45 kilometres Southwest of the city of Bundaberg. There are a couple of dams on the property and it is almost fully fenced on three sides with the fourth bordering the road. Some quality timber still stands and a couple of areas have previously been cleared giving you a choice of perfect spots to build your dream home. The property provides plenty of room to be far enough away from the neighbours and out of sight yet still big enough to run a decent herd of livestock. We also have neighbouring properties available if you are requiring more acreage.

For more information or to inspect the property please call exclusive marketing agent Andrew Gatt on 0414559131.

Price : \$ 480,000
Land Size : 193.6 ha
