652 North Littabella Road Mullett Creek QLD

6 🏠 3 🚗

An exceptional opportunity to secure one of Queensland's established aquaculture holdings with development approval authorised to conduct aquaculture on and harvest over 100 species, positioned within the highly regarded Coral Coast region. Offering substantial scale, operational infrastructure, and future expansion potential, this productive prawn farming enterprise presents a rare investment in Australia's growing aquaculture sector to start production of prawns or your desired species this year.

Set on part of the 142.25 hectare landholding over three Certificates of Title, the property is strategically located approximately 52 km drive north of Bundaberg.

Type : Rural
Price : Auction
Land Size : 142 ha
